There are many other resources available – just ask!

If you are absolutely certain, you may replace books on shelves., but if in doubt, place books in the wooden bin near the computers. City directories and plat maps have a numbered stickers to aid you to reshelve, but history books are better left in the wooden bin rather than lost on shelves. Thank you.

Allegan County parcel maps and tax information on current land parcels are online at the Allegan County webpage

<http://www.allegancounty.org/taxmaps/index.html>

Search for current land records by address or owner name--or search location on a parcel map. Parcel boundaries are usually given, along with a record of recent land sale prices and a legal description of each parcel.

Ways to Take Home Your Land Records:

- You may scan maps or directory pages and email the images or scan to a flash-drive. The scanner is easy to use and staff members will be happy to help you.
- You may take photos with a digital camera or use our photocopier to make copies. Please ask for help.
- Our photocopies are \$0.15 for black and white, \$0.25 for color copies 2015 LK
