<p>The Allegan District Library is in the process of developing a collection of Allegan County church histories and a directory of all churches in Allegan County. We are seeking your assistance in providing any copies of church histories, centennial or celebration brochures, newspaper clippings, and any other relevant information on the history of your church. Even our most recent histories are several years old. Please review our online directory. Any updated information regarding your church, including photos, pastor, contact information (address with directions, phone number, email, and website) would be appreciated. You will find our tentative information for your church in our online directory at www.alleganlibrary.org <input type="checkbox"/> genealogy <input type="checkbox"/> Churches of Allegan County, Michigan. If you have any questions, please call the Allegan District Library, phone number: 269-673-4625. If you know of any churches that are not on the list and/or are no longer in existence, please forward this information to us, so that we may update our church directory. Thank you in advance for your assistance in contributing to this project.</p>
