2. Personnel Committee – Longevity and Bonus Proposal Personnel Policy Update: Trustee McLeod referred the discussion over to Assistant Director Erlandson. She explained that there has been some confusion over the payment of longevity and bonus’ paid. She relayed the explanation given by Director Deery:
   - The cost is about the same
   - Two long time employees will be legacy in and the rest of staff will go by the new proposal
   - This codifies the bonus process and rewards long time service
   - It is only 0.2.2% of the library budget

Motion: Trustee McLeod moved to accept this proposal as presented, Trustee Behm support, passed.

3. Facilities Committee – Meeting Room Revision: Trustee Behm referred to the entire policy and the minutes of the Facilities committee. Trustee Antkoviak suggested the rooms be given names of specific people or places.

4. Facilities Committee – Loan Policy Revision: Trustee Behm reviewed the policy revisions as included in the Board packet. Assistant Director Erlandson said these revisions evolved when the library went fine free and the library needed a process. She said at present overdue materials are done on a case by case basis. She said the overdue notification process is still in place and explained the details of that process. Trustee Antkoviak recommended a refund sentence be included for those items when someone has paid for an item and returns it later.

Board Comments: All the Board Trustees expressed their appreciation to Administrative Assistant Lyzenga for all her professional, hard work through the years. They all wished her a happy retirement going forward. Assistant Director Erlandson shared her and Ryan’s appreciation for all the work Evie has done and wished her well in her retirement. Billie Spicer, the new Administrative Assistant was welcomed by the Board.

President Kiella brought up two things to consider:
• One is the historic fountain out in front of the library, which had a wooden box around it, and that box was removed today. It appears that the fountain is leaning and not fully supported underneath. He wished the Board members to consider options for its care.
• Before actual construction was started on the library renovation and construction, the library collected $175,000 of the construction millage monies which is a half year payment. He requested consideration of either investing it or making a payment as soon as possible. President Kiella said the library should consult with Steve Tibbits, our investment consultant.

Adjournment
By acclaim the meeting was adjourned at 8:07 PM. Next board meeting is April 16, 2018.
